March–April 2011 Newsletter

Dear Friends and Supporters,

My Parents' 50th Wedding Anniversary Celebration

During the first week of August, I will be in Silva, Missouri, to celebrate my parents' 50th wedding anniversary. This will be a great event for me and my brothers and sisters. I plan to travel by myself and be in the States for just ten days. I'm excited for my parents and love them dearly.

My dad wrote a book about his life. The book is called To God Be the Glory. My parents have been missionaries in Argentina for the last 39 years. They have been pioneer missionaries with much success in seeing souls saved and churches started. I would like to send you a copy of this book. It is easy to read and just 100 pages long. He has some “Believe It or Not” stories at the end of the book. If you would like a copy of the book, just send me an e-mail with your address, and during the first week of August, I will mail you a copy.

Our Bible college has close to 50 students. Praise the Lord! We are growing, and there is a great spirit among our students. The college is in session Monday through Friday from 7:00 p.m. to 10:30 p.m.

Concerning our property and house need, we still lack close to US\$9,000 in order to come up with the down payment of US\$35,000. Praise the Lord for all the funds that have come in so far in the last few months. We are getting close. Please pray! Hopefully, we will be able to move into this new house during this coming summer! Please visit our web page for additional news about this need: <http://byfaithletsgoforward.com>.

The Cry of Hope Ministry for the addicted is growing. We have been having over 40 show up every Saturday night. We meet in the kitchen of the church. We can seat 25 people in the kitchen by filling the entire floor with chairs. We have an overflow crowd sitting outside listening to the testimonies of victory and the preaching of God's Word. Many are coming and asking for help with their addictions. Please pray that this ministry will expand. We need to promote this ministry all over the city. Please pray for the suffering people who are lost in their addictions. We need God's power to be a tremendous help to these people.

For souls,

Brian R. George and Family
